Chete is 53 kilometres off the Karoi-Binga road, turning off 26 kilometres from Siabuwa Business Centre. Access to Chete Safari Area is by 4x4 vehicle or other vehicle suitable for rough terrain or by boat from Binga. There is a 1000m long airstrip situated within the safari area.

Chete Safari Area

RESALE OF PURCHASED CAMPS: Provided a hunt has not been cancelled by the Director General for any failure to comply with the terms and conditions of the sale or the hunting permit, or the provisions of the Act or any regulations made, the purchaser may be permitted to resell a hunt he has purchased in accordance with the circumstances set out in Paragraph 11 of the Hunting Permit. Should the Director General authorize the resale of any hunt, the purchaser may only recover, from the subsequent purchaser (as approved by the Director General), at most the price paid by the bidder. Desired Liaison Auctioneers can only assist with the resale after the Director General's permission has been obtained.
