**About Us:** We have been in business since 2003. We sell firearms on consignment -- one or two or an entire collection. We are new to Guns International but have been selling on GB for 19+ years. If you'd like to see our feedback there, our userld is "Firearms4Less+ dot + com".

2008 Joe Smithson / Granite Mountain Arms 500 Jeffery Bolt Action Big Game Safari Rifle

### Description:

I'm selling this rifle for a friend of mine, Mark Buchanan. This rifle is featured in his video, Big Bore Productions, Bolted to Death.

Beautiful Joe Smithson 500 Jeffery bolt action repeater built on a Granite Mountain Arms action. This rifle is shown on the home page of Joe's -- the rifle on the right side of the last photo in this ad. S/N 0142. 24" barrel and 11.5 lbs. Length of pull is 14". 3+1 capacity with hinged floorplate. I'm selling this for my client who purchased this rifle brand new from Joe Smithson in 2008 and took it on one Safari. It has been fired apx 40 rounds. Joe builds less than 10 rifles per year and he builds among the best Safari grade bolt action rifles. The condition of the rifle is excellent -- see photos. The bore is clean with sharp rifling. Also included is the following ammo:

- Kynock 535g soft nosed -- 23 rounds
- Joe Smithson Woodleigh Handloaded 535g soft nosed. - 18 rounds
- WR case, solid bullet (unknown manufacturer) - 3 rounds

Also included is the Murray leather shellholder shown.

**If you will email me I can send you the link to all the photos shown here, plus a few more - high resolution.**

\$250 insured shipping to your FFL.

Thanks for looking.  
Brennan
