TAKE YOUR CAMERA EVERYWHERE

You paid good money for that camera, so get it out of your bag and use the dang thing. With Capture, you can safely and comfortably carry your camera anytime, anywhere, and always have instant access.

HOLDS ANY CAMERA

Take your camera out of Capture and put it directly into your ARCA-type tripod with the included standard plate quick-release plate.

CLAMPS TO ANY STRAP

Connects to any strap up to 6.4 cm (2.5") wide and 2.2 cm (0.88") thick

CARRY ANY DEVICE

Carry binoculars, lenses, and GoPro cameras with additional plates/kits (sold separately)

INSTANT ACCESS

Instantly access camera with quick release button

TOTAL SECURITY

Redundant security lock prevents accidental release

TRIPOD COMPATIBLE

Includes Standard Plate, which works with most Arca-type tripods. Need Manfrotto® RC2 compatibility? Get Dual Plate Capture (Clip Only).

FAST LENS CHANGES

Camera locks into clip in 4 directions, enabling easier lens changes. Speed lens changes up even more with [Lens Kit](#) (sold separately)

WEATHERPROOF & WATER FRIENDLY

All parts are weatherproof and resist rust and saltwater

NEW FOR V3

WAY SMALLER

30% lighter, 20% narrower, 20% lower profile than Capture v2

ALL-METAL BUILD

Aluminum alloy chassis, backplate, quick-release button and stainless steel locking pin

ANODIZED FINISH

For increased durability and smoothness

GRIPIER

Embedded grip in backplate for maximum slip resistance

2 SETS OF BOLTS

Thumb-drive bolts for easy clamping and unclamping

Hex-drive bolts for more secure/permanent installation or thicker straps
