LSB#: 240102LR012

Make: Winchester

Model: Custom Model 70

Serial Number: 86736

Year of Manufacture: The receiver was manufactured in 1948, we do not know when this rifle was customized.

Caliber: .375 Holland and Holland Magnum (H&H)

Action Type: Bolt Action Rifle with Internal Hinged Floorplate Magazine

Barrel Length: 25"

Sights/Optics: The front sight is a beaded blade dovetailed to a textured, ramped base integral to the barrel. The base is grooved for a hood which is not present. The rear sight is a folding "U"-notch with a white diamond aiming reference dovetailed to a boss at the rear of the barrel. The notch is fine-adjustable for elevation and can be reversed to show a "V"-notch. The chamber ring is drilled, tapped and filled, the bridge is not drilled. The left-rear of the receiver is drilled, tapped and filled for a receiver sight (none present). The left of the receiver has had three holes drilled and tapped with two smaller indexing pin holes for a Griffin & Howe mount holding a Lyman Alaskan 2.5x scope with post reticle. The scope has minor wear and the glass is fairly clear.

Stock Configuration and Condition: The stock is a Super Grade checkered walnut stock with ebony nose cap, capped pistol grip, straight comb with cheekpiece, ventilated orange rubber Hawkins recoil pad and sling plates installed front and rear. There is a filled cut on the left of the stock below the receiver sight holes on the receiver and the stock has been relieved for the installed scope mount. There are some scattered nicks, scuffs and scratches. There is a tiny crack in the top of the wrist at the rear edge of the receiver. The checkering is well defined. The LOP measures 12 7/8" from the front of the trigger to the back of the pad, 11 7/8" to the back of the wood, indicating that the stock has been cut. The pad shows wear and discoloration, but is still fairly supple. Overall, the stock is in about Very Good condition as possibly not original to the gun.

Type of Finish: Blue

Finish Originality: Refinished. The barrel has been replaced. The bolt's serial marking was removed.

Bore Condition: The bore is mostly bright with sharp rifling. There is infrequent minor erosion in the bore, mostly at the muzzle-end. In this writer's opinion, the bore rates about 9 out of 10.

Overall Condition: This rifle retains about 96% of its current metal finish. The balance is mostly in light operational wear and handling wear on the bolt knob. Otherwise, there are only light handling marks. The screw heads range from sharp to lightly tool marked with strong slots. The barrel's caliber marking is clear, the receiver markings are clear with soft edges. Overall, this rifle is in Very Good-plus condition as customized and would rate Fine but for the wear in the stock.

Mechanics: The action functions correctly. There is a safety mounted on the top-rear of the bolt. Pushed forwards, the safety is OFF. If pulled back all the way, the safety is ON, blocking both the bolt and the trigger. If pulled back half-way, it blocks only the trigger. We did not fire this rifle. As with all used firearms, a thorough cleaning may be necessary to meet your maintenance standards.

Box, Paperwork, and Accessories: This rifle comes with the installed scope.

Our Assessment: This is a custom rifle built on a Pre-64 Winchester Model 70 magnum action from 1948. The action is in a Super Grade stock, though the floorplate is not marked Super Grade. The barrel has been replaced with a custom .375 H&H barrel that has a proper contour and length for a factory barrel, but does not have any Winchester markings. Rounding out the customization is a Griffin & Howe mount for a vintage Lyman Alaskan 2.5x scope with post reticle. The result should make for a great big-game rifle for the lucky winner. Please see our photos and good luck!

Please forgive any typos, I was educated in California. -Bud

CA Legal or CA Private Party Transferable (THIS SECTION DOES NOT APPLY TO OUT-OF-STATE RESIDENTS): This C&R rifle CAN be transferred in California and CAN be transferred as a Private Party Transfer (PPT) at our Simi Valley location. All C&R firearms must be transferred through your local dealer OR at our Simi Valley location; we cannot ship directly to a C&R holder in California. Out-of-state residents can disregard this section—your local laws apply.
