## TRAVEL RISK AND CRISIS MANAGEMENT

### PROTECT YOUR TRAVELERS – PROTECT YOUR BRAND

Global Rescue provides the industry's leading Travel Risk and Crisis Management services to organizations that might have employees or clients traveling 100 + miles from home.

#### SERVICES INCLUDE

- 24/7/365 Emergency Operations Center Support
- Medical Advisory, Field Rescue and Evacuation
- Security Advisory, Field Rescue and Extraction
- Access to premium Signature Travel Insurance

### REFERRAL PARTNER PROGRAM

#### REDUCE THE RISK OF LIABILITY

Many of our clients chose to mandate Global Rescue coverage or require their travelers to complete an "opt out" form. These clients significantly reduce their general liability and 'errors & omissions' insurance premiums.

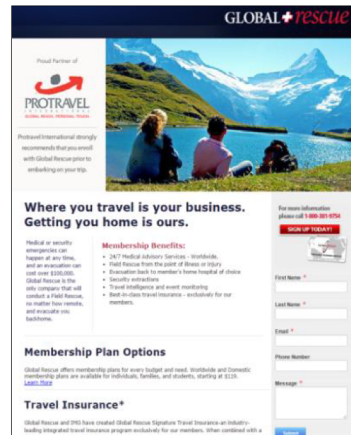

#### PROTECT YOUR TRAVELERS, STAFF AND BRAND

Regardless of the crisis, Global Rescue medical and security personnel are standing by to respond. Our personnel have decades of experience handling medical and security crises worldwide. We can also eliminate the financial burden of costly emergencies, deployments and evacuations.

#### EARN INCREMENTAL REVENUE

Differentiate your offerings by showing your travelers that you take their safety seriously and have engaged an industry-leading Travel Risk and Crisis Management program. Our partners have the opportunity to receive

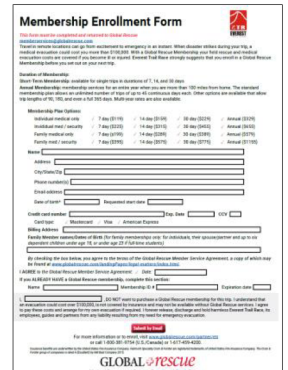

Partners receive a dedicated Global Rescue Account Manager as well as a customized online enrollment page and marketing materials
