Purdey Bolt Action Rifle 31199

Bolt Action Rifle, 6.5 Creedmoor

The double square-bridge action is engraved with our traditional rose and scroll pattern and fitted with a Swarovski Z8i 1.7-13.3x42 telescope-sight in quickly-detachable 'scope-mounts and rings, with a three-position safety and black finish. The highly figured stock has a cheekpiece, a full pistol grip with palm-swell, an engraved pistol grip cap and leather-covered recoil pad. The 24in. barrel has a concealed thread at the muzzle to accept a sound-moderator or muzzle-brake as desired.
