Triple-locking cylinder is locked into the frame at the front, rear and bottom for more positive alignment and dependable operation shot after shot. **+**

Durable, corrosion-resistant stainless steel construction. **+**

Strong, extended frame with extra metal in the top strap, sidewalls and barrel mounting areas to handle powerful, big game loads. **+**

Hogue Tamer Monogrip with an internal recoil cushion positioned under the web of the hand helps reduce the impact of powerful loads, while the peg-style grip frame easily accommodates custom grips. **+**

Dual chambering allows the .44 Magnum models to accept factory .44 Special cartridges and the .454 Casull models to accept factory .45 Colt cartridges. **+**

Transfer bar mechanism provides an unparalleled measure of security against accidental discharge. **+**

Replaceable insert ramp front sight and adjustable rear sight. **+**

Cold hammer-forged barrel results in ultra-precise rifling that provides exceptional accuracy, longevity and easy cleaning. **+**

Features listed above are available on all standard models, but may not appear on Distributor Exclusive models. See individual spec sheets for model specific features.
