

TRAPPER SERIES LEVER-ACTION RIFLES

Conceived by hunting and fishing guides in Alaska, the Trapper series is the ideal big-bore rifle that is short, quick-handling, and optimized for hunting or protection from dangerous animals.

Adjustable Skinner Sights™ receiver-mounted peep sight is perfect for rapid target acquisition.

Improved finish on the stock and forend and checkered grip panels provide superior grip in all conditions.

Refined stock fit and thinner forend improve aesthetics and ergonomics.

Threaded barrel, with a match-polished, factory-installed thread protector, allows for installation of a muzzle brake or other barrel accessories.
